Summary of Position

The Ultimate Cookery Instructor is responsible for the successful delivery of our Ultimate Cookery programme, whilst ensuring the welfare and safety of the children on camp is maintained at all times. We are looking for enthusiastic and experienced food technology teachers or assistants or kitchen professionals to help us follow through on our commitment to 'Inspire Children Every Day'.

Following guided recipes, the role of the Ultimate Cookery Instructor is to contribute to the delivery of outstanding cooking tutorials to small groups of 8 to 14 year-olds, sending them home with a delicious creation of their own making! You work collaboratively with the Cookery Leader to deliver fun and exciting group workshops and inspire the next generation of culinary creators.

You will follow all policies and procedures, taking direction from the cookery leader, deliver cookery sessions whilst contribute to the high standard of physical, emotional, and social care offered by the Ultimate Activity Company.

Duties and Responsibilities

With full training in the programme and recipes provided:

- Prepare and deliver cookery activities for children aged 8-14, focusing on participation, skill development and enjoyment.
- Work alongside a cookery leader to ensure the delivery of both quality care and a high standard of activities expected at the Ultimate Activity Company.
- Follow all policies and procedures on camp, including all health and safety, and safeguarding procedures.
- Engage with the children outside of timetabled activities.
- Live up to the Ultimate Activity Camp promise of 'Inspiring Children Every Day' and behave in a manner that reflects the expectations of the company throughout your employment.
- Show the required energy, enthusiasm and professionalism for the duration of the season, acting as an ambassador for Ultimate Activity Camps and behaving as a suitable role model for children.

- Other ad-hoc duties (equipment maintenance/ordering etc).

Bring your skills. Leave with more.

Essential Requirements
